1 extension of time was sought and granted because the parties agreed to an audit and ninety days
2 was needed to schedule and perform the audit (#10). The audit was scheduled and the auditors
3 have completed their field work at Defendant's place of business. However, the audit report will
4 not be completed until early February 2019. The parties request an additional extension of sixty
5 (60) days to receive and discuss the audit report. Allowing this additional extension of time will
6 promote judicial economy because the audit report will form the basis to resolve this matter.

7 This is the second request for extension of time, and is not sought for purposes of delay.
